

Who said what?

Jesus...Steve Jobs...Nelson Mandela...Margaret Thatcher

1) "A leader...is like a shepherd. He stays behind the flock, letting the most nimble go out ahead, whereupon the others follow, not realising that all along they are being directed from behind."

2) "My job is not to be easy on people. My job is to take these great people we have and to push them and make them even better."

3) "But the greatest among you shall be your servant."

4) "I love argument. I love debate. I don't expect anyone just to sit there and agree with me - that's not their job."
